

CARBINE LOCKSETS

Carbine is a high-end brand of locking and hardware that is chosen by locksmiths and installers. Carbine pushes the boundaries and looks to solve the problems that have dogged the industry for years by featuring products with innovative design and modular functionality. The Carbine Lockset range features

commercial and residential series that are rekeyable to suit most commercial and restricted keys. Knobs, Levers or combination sets suiting most functions including entrance, vestibule, patio, glass, classroom, privacy, passage, double cylinder, double cylinder vestibule, half cupboard and dummy.

CARBINE PD7000 SERIES LEVERSETS

Distinctive by its solid look and large rose, the Carbine Doncaster PD7000 series have served the commercial market place successfully for many years and have gained a reputation for being a proven performer in that time.

Features include:

- Function: Outside: opened by lever when free. Key unlocks and retracts the latch
- Inside: opened by lever at all times. Push button locks exterior lever
- Optional choice of a standard or clutching function, the clutching model features an operation where the outside handle still moves when locked, ideally to prevent lever damage from forced entry (not available in the L1 lever)
- Fire rated for 4 hours to Tyco specifications
- Cylindrical fixing
- Suits KeyLine LKW9 (Silca LW5) profile
- Cylinder is a 6 pin PD style brass cylinder
- Spare cylinder available for TESS to suit Gainsborough keyway CLAIC-TESS
- Supplied standard with a 70mm backset, 60mm available upon request and an extension tube to extend to 127mm is available
- Square shaped lever handles with a strong lever return spring
- 85mm wide rose with two locating fixing holes to prevent the leverset from spinning
- Suitable for doors 35mm - 50mm in thickness extension kit is provided to make it suit the 50mm
- Concealed fixing
- Stainless steel latch bolt with a 12mm projection

NOTE: There is now a knob outside, lever inside combination set that works exactly as above (PD7000KN).
