

GAINSBOROUGH

GAINSBOROUGH TRILOCK KNOBSET

A knobset with the unique combination of three in one security - deadbolt, passage and privacy. This version is the double cylinder Trilock. Features include:

- 60mm backset
- 20mm throw on the deadbolt
- Depressing the internal button on the knobset activates the privacy model, locking the door from the outside, yet leaving it free on the inside
- Passage function is operational when the unit is unlocked and unsnibbed
- Single handed operation, where the key operates all functions of the lock allowing the door to be opened without turning the lever
- 5 pin euro cylinder as standard suits Keyline TESS (Silca TE2) profile
- 6 pin euro cylinder that suits Keyline LKW9 (Silca LW5) profile can be purchased as an extra
- Cylindrical fixing
- Easy installation, fitting into a lockset size hole
- Finishes of satin chrome, bright chrome and bright gold
